Cinematography: Shamdat

Editing: Vinod Sukumaran

Sound: Ajit George

Cast: Nishan, Asif Ali, Rima, Jaya menon, M G Sasi, Manu Jose, K Govindan Kutty

Ritu is a graceful and breezy story of the journey of the three young people who move through a fascinating season in their lives, different from the earlier one they really cherished. Sarat Varma, Varsha John, and Sunny Immatty, while growing up together in love and in their beautiful innocence, were almost inseparable and their love for each other indivisible. Yet, a time comes when the three of them stumble upon the truths about themselves. Suddenly, they find themselves in a new light. In fright and pain, they ask themselves: are we really what we think we are?
