Lala, a teenager from the most exclusive suburban neighbourhood in Buenos Aires, is madly in love with Guayi, her family's 20-year-old Paraguayan maid. The lesbian lovers dream of living together in Paraguay and begin to steal and sell all they can get their hands on to fund their escape. But when their risky plan goes terribly wrong, Guayi disappears and is taken into custody for a crime she did not commit. Desperate, Lala will stop at nothing to be with Guayi again... even if it means unravelling the secrets of her dark, hidden past.
